

Log Dining Table Assembly Instructions

Thank you for purchasing our Canadian-made products

We suggest adding wood glue to the ends of the logs prior to inserting them into the holes but this is not mandatory.

Parts Included:
Table Top Assembly, 2 Leg Assemblies,
4 Leg Braces, Screws.

1. Turn Table Top upside-down on assembly surface.

2. Position Leg Assemblies within the lines as shown.

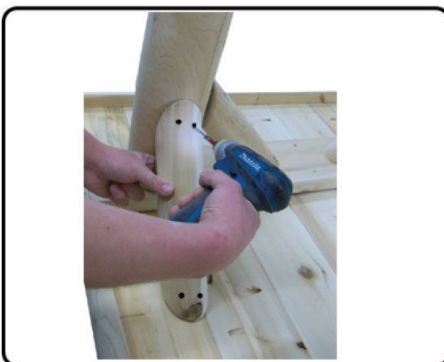

3. Insert one of the four Screws into each corner as shown.

4. Repeat on the other side.

5. Position the four Leg Braces facing the inside of the table as shown.

6. Fasten the Leg Braces, two screws at each end into pre-drilled holes as shown.

7. Flip Table over.
Assembly complete.

Your Table is now assembled!

Bolts should be tightened periodically to ensure a long-lasting product.
