Cedar Pod Sauna Assembly Instructions

Start the assembly of the signature benches by laying out the bench brackets.

Place Signature bench on bench supports.

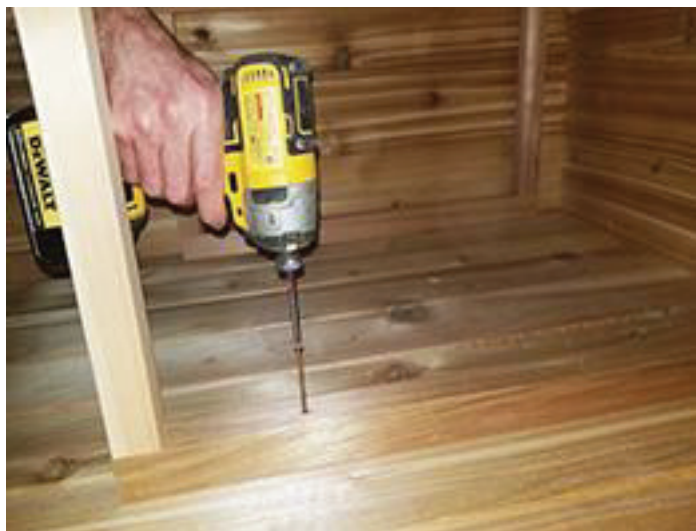

Place the 4 seat brackets under the benches lined up with the curved seat support bracket on bottom of bench.

Screwing from the bottom up into the seat support bracket, use 3 – 2 ½" (64mm) screws to secure the seat bracket to the bench

Dundalk Leisure Craft Cedar Pod Sauna Assembly Instructions

Using 2 ½" (64mm) screws, fasten the bottom of each seat bracket to the floor of the pod sauna.

Place the back rest in groove on the bench bracket.

Screw the back rest into the front and back walls with a 2 ½" (64mm) screw.

Screw in between seat slats to make screw less visible.
